- 25X1 1. It is no longer necessary to abide by rules of secrecy to the extent we have in the past. Artillery training can be given in open training areas, one of which each Objekt will have at its disposal. The movement of training equipment outside the Objekt area, however, requires prior HVA approval, a request for which has to be submitted to the training section of the HV.
2. Training school sections should devote major efforts to teaching the attack in all its phases.
3. Training of drivers is scheduled for February, designed to establish a large reservoir of trained drivers.
4. Beginning 1 March training of ./T operators will begin. This will comprise all operators allowed for in the T/O.
5. Training of armorer's assistants is contemplated.
